"Days on Diffraction" is an annual conference taking place in May–June in St. Petersburg since 1968. The present event is organized by St. Petersburg State University, St. Petersburg Department of V.A. Steklov Mathematical Institute, and the Euler International Mathematical Institute. Simons Foundation's support is acknowledged.

The Organizing Committee thanks all scientists who came from different parts of the world to participate in "Days on Diffraction 2019". Of special gratitude are the authors of extended abstracts submitted to the Proceedings; 47 of the papers (selected by peer-review) are published in the present issue.

Organizing committee: V.M. Babich /Chair/, M.I. Belishev /Vice-chairman/, A.S. Kirpichnikova /Secretary/, T.V. Vinogradova /Visas/, N.V. Zalesskaya /Accommodation/, I.V. Andronov, L.I. Goray, A.Ya.
