

CQIS–2016 Proceedings

The Workshop Proceedings will be published as a special issue of the journal

Теоретическая и Математическая Физика,

the translated version will appear as a special issue of

Theoretical and Mathematical Physics.

All the participants of the Workshop are invited to send their contributions by

October 31, 2016

to **tmp@mi.ras.ru** indicating **CQIS-16** in the subject line.

Manuscripts may be submitted in Russian or in English. (In the former case, the authors should indicate whether they will provide an English version of their article as well.) The content of the manuscript does not necessarily have to reflect the content of the talk presented at the Workshop. Preferably, the size of a contribution should not exceed 15 (La)TeXpages.

All manuscripts will be subject to refereeing.

Requests concerning the special issue of the TMP should be addressed to the Managing Editor, Mrs. Svetlana Sushko, at the email address given above.
