Ivan Bochkov, *St. Petersburg State University, Russia*
Alexei Bogolubsky, *Pirogov National Research Medical University, Moscow, Russia*
Alexander Borichev, *Aix–Marseille University, France*
Petr Borodin, *Moscow State University, Russia*
Ekaterina Borovik, *Keldysh Institute of Applied Mathematics, Russia*
Alexander Bufetov, *Aix–Marseille University, France, and Steklov Mathematical Institute, Moscow, Russia*
Lev Buhovski, *Tel Aviv University, Israel*
Stéphane Charpentier, *Aix–Marseille University, France*
Evgeni Chirka, *Steklov Mathematical Institute, Moscow, Russia*
Mikhail Dubashinskiy, *St. Petersburg State University, Russia*
Vladimir Dubinin, *Far Eastern Federal University, Vladivostok, Russia*
Evgenii Dubtsov, *St. Petersburg Department of Steklov Mathematical Institute, Russia*
Alexander Dyachenko, *TU Berlin, Germany*
Konstantin Dyakonov, *ICREA, Barcelona, Spain*
Stavros Evdoridis, *Aalto University, Finland*
Emilio Fedele, *King’s College, London, United Kingdom*
Konstantin Fedorovskiy, *Bauman Moscow State Technical University and Saint Petersburg State University, Russia*
Franc Forstnerič, *University of Ljubljana, Slovenia*
Maria Gamal’, *St. Petersburg Department of Steklov Mathematical Institute, Russia*
Josip Globevnik, *University of Ljubljana, Slovenia*
Emanuel Guariglia, *University of Naples Federico II, Italy*
Håkan Hedenmalm, *Royal Institute of Technology, Stockholm, Sweden*
Konstantin Isaev, *Institute of Mathematics with Computer Center, Ufa, Russia*
Philippe Jaming, *University of Bordeaux, France*
Vladimir Kapustin, *St. Petersburg Department of Steklov Mathematical Institute, Russia*
Ilgiz Kayumov, *Kazan Federal University, Russia*
Bulat Khabibullin, *Bashkir State University, Ufa, Russia*
Avner Kiro, *Tel Aviv University, Israel*
Serguei Kislyakov, *St. Petersburg Department of Steklov Mathematical Institute, Russia*
Alexander Komlov, *Steklov Mathematical Institute, Moscow, Russia*
Anna Kononova, *St. Petersburg State University, Russia*
Gady Kozma, *Weizmann Institute, Rehovot, Israel*
Olesya Krivosheeva, *Bashkir State University, Ufa, Russia*
Nikolai Kruzhilin, *Steklov Mathematical Institute, Moscow, Russia*
Arno Kuijlaars, *University of Leuven, Belgium*
Vladimir Kulikov, *Siberian Federal University, Krasnoyarsk, Russia*
Frank Kutzschebauch, *University of Bern, Switzerland*
Maria Lapik, *Keldysh Institute of Applied Mathematics, Moscow, Russia*
Andrei Lishanskii, *St. Petersburg State University, Russia*
Alexander Logunov, *Institute for Advanced Study, Princeton, USA*
Vladimir Lysov, *Keldysh Institute of Applied Mathematics, Moscow, Russia*
Khudoyor Mamayusupov, *National Research University Higher School of Economics, Moscow, Russia*
Xavier Massaneda, *University of Barcelona, Spain*
Pertti Mattila, *University of Helsinki, Finland*
Maksim Mazalov, *Moscow Power Engineering Institute, Smolensk Branch, Russia*
Pavel Mozolyako, *University of Bologna, Italy*
Il’dar Musin, *Institute of Mathematics with Computing Centre, Ufa, Russia*
Stefan Nemirovski, *Steklov Mathematical Institute, Russia*
Nikolai Nikolski, *University of Bordeaux, France*
Shahaf Nitzan, *Georgia Institute of Technology, USA*
Petr Paramonov, *Moscow State University, Russia*
Stefanie Petermichl, *Paul Sabatier University, Toulouse, France*
Yulia Petrova, *St. Petersburg State University, Russia*
Alexei Poltoratski, *Texas A&M University, USA*
Igor Popov, *St. Petersburg National University of Information Technologies, Russia*
Andrei Pronko, *St. Petersburg Department of Steklov Mathematical Institute, Russia*
Alexander Pushnitski, *King’s College, London, United Kingdom*
Alexey Pyshkin, *St. Petersburg Department of Steklov Mathematical Institute, Russia*
Aleksandr Rotkevich, *St. Petersburg State University, Russia*
Eero Saksman, *University of Helsinki, Finland*
Armen Sergeev, *Steklov Mathematical Institute, Moscow, Russia*
Faizo Shamoyan, *Saratov State University, Russia*
Stanislav Smirnov, *University of Geneva, Switzerland, and Saint Petersburg State University, Russia*
Mikhail Sodin, *Tel Aviv University, Israel*
Dmitriy Stolyarov, *St. Petersburg State University, Russia*
Sergey Suetin, *Steklov Mathematical Institute, Russia*
Alexandre Sukhov, *University of Lille, France*
Pascal Thomas, *Paul Sabatier University, Toulouse, France*
Vesna Todorčević, *University of Belgrade, Serbia*
Anton Tselishchev, *St. Petersburg State University, Russia*
Dmitry Tulyakov, *Keldysh Institute of Applied Mathematics, Moscow, Russia*
Mikhail Tyaglov, *Shanghai Jiao Tong University, China*
Alexander Ulanovskii, *University of Stavanger, Norway*
Anastasia Ulitskaya, *St. Petersburg State University, Russia*
Andrei Vasin, *State University of Maritime and Inland Shipping, St. Petersburg, Russia*
Vasily Vasyunin, *St. Petersburg Department of Steklov Mathematical Institute, Russia*
Ilya Videnskii, *St. Petersburg State University, Russia*
Oleg Vinogradov, *St. Petersburg State University, Russia*
Sergey Zakharov, *St. Petersburg State University, Russia*
Rachid Zarouf, *Aix–Marseille University, France*
Pavel Zatitskii, *St. Petersburg State University and St. Petersburg Department of Steklov Mathematical Institute, Russia*
