

The 16th International Conference on Integral Methods in Science and Engineering
IMSE 2020 St Petersburg, July 13–17, 2020

The title

First name¹, Second name²

¹Department of XXXX , University of XXXX, `name1@email.address`

²Department of XXXX, University of XXXX, `name2@email.address`

Insert here the text of your abstract. It should fit into one page (including the references). Since there will be no proofs for abstracts, make sure your text is in final form.

Cite references in the normal manner: [1], [2] and [3]. But please do not introduce section commands or define any macros.

Keywords: First, second, ...

AMS Classification:

References

- [1] AUTHORS. *Book title*. Publisher, city, year.
- [2] AUTHORS. Article title. *Name of the review* **volume**(number), first page–last page (year).
- [3] AUTHORS. Article title. In *Proceedings title*, editors' names (eds.), pp. first page–last page. Publisher, city, year.
