

16th International Conference On Integral Methods In Science And Engineering (IMSE2022)

St.Petersburg, Russia

The conference will be held in PDMI. The invited speakers will give their presentations in the Main Hall.

The general conference sessions will either be in the Main Hall or in rooms 206, 311. The refreshments will be served in the social area outside the Main Hall, lunches will be organized in nearby restaurants.

In addition to the regular Conference sessions, the program will include also the following Minisymposia:

Boundary-Domain Integral Equations

Organiser: **S. Mikhailov, (Brunel University, London, UK)**

Asymptotic Analysis: Homogenization and Thin Structures

Organizer: **M. Eugenia Perez (Universidad de Cantabria, Santander, Spain).**

Wavelets as an analysis and modeling tool for problems of science and engineering

Organizer: **Eugene Postnikov (University of Kursk, Kursk, Russia).**

Monday 25 July 2022
