BIBLIOGRAPHY OF VASSILIEV INVARIANTS

DROR BAR-NATAN AND SERGEI DUZHIN

This bibliography is available electronically at `http://www.pdmi.ras.ru/∼duzhin`. The html version has some hyperlinks!

This bibliography was started in 1995 by Dror Bar-Natan who maintained it until 2005 when the project was taken over by Sergei Duzhin. Please send (coordinates of) papers, comments, hyperlinks etc. to my lastname at pdmi.ras.ru.

1. LIST OF ADDITIONS

Here's a list of additions to this bibliography, beyond the first 100 papers. Note that if a paper stands under, say, July 2005, this does not mean that it was published around that time – this means that it was added to the bibliography in July 2005!

2. Electronic Addresses

Here are some authors' email, http, and ftp addresses (notice that electronic addresses are constantly changing, so the list below cannot be reliable. Please let me know if you have any additions/corrections). As a precaution against spam, I publish email addresses in a disguised form (replacing dots by vlines and ats by stars) – please tell me if you want your address to be removed altogether.
