“Days on Diffraction” is an annual conference taking place in May–June in St. Petersburg since 1968. The present event is organized by St. Petersburg Department of the Steklov Mathematical Institute, St. Petersburg State University, and the Euler International Mathematical Institute.

The conference is supported by a grant from the Government of the Russian Federation, agreement № 075-15-2019-1620, and by Simons Foundation (via PDMI RAS, grant № 507309).

The Organizing Committee thanks all scientists from different parts of the world who participated in the on-line conference “Days on Diffraction 2020”. Of special gratitude are the authors of extended abstracts submitted to the Proceedings; 22 of the papers (selected by peer-review) are published in the present issue.

Organizing committee: V.M. Babich /Chair/, M.I. Belishev /Vice-chairman/, A.S. Kirpichnikova /Secretary/, T.V. Vinogradova /Visas/, N.V. Zaleskaya /Accommodation/, I.V. Andronov, L.I. Goray, A. Ya.
